ABOUT OUR INSURANCE SERVICES

1. The Financial Conduct Authority (FCA)

The FCA is the independent watchdog that regulates financial services. Use this information to decide if our services are right for you.

2. Whose products do we offer?

3. Which service will we provide you with?

We're an established intermediary acting on your behalf. You will not receive advice or a recommendation from us. We may ask some questions to narrow down the selection of products that we will provide details on. You will then need to make your own choice on how to proceed.

**The Cooling-off period is up to 14 days from the start date of the policy or (if later) the day on which you receive your policy documentation and supporting information.

***Price Comparison sites charge us when customers use them to buy a policy from us. We apply this extra fee for cancellations outside the cooling-off period to cover that cost.

****If you cancel your policy before the cover has started you will receive a refund but we take a fee to cover our administration costs.

These amounts are in addition to any fees and/or charges made by your insurer or PCL. All fees & charges are non-refundable unless otherwise stated. We are paid commission by PCL for the arrangement of your direct debit credit agreement.

We charge you a fee to arrange and administer the motor policy with the insurer on your behalf. We will tell you the exact fee amount for arranging your motor policy before you purchase it. We are paid a commission by the insurer which is a percentage of your total annual motor premium. We are paid a flat fee by the insurer for arranging any optional extras on your behalf.

5. Cancellations

If we or the insurer cancel the policy, we will write to you providing a minimum of 7 days' notice of cancellation. This will be to your last known postal or e-mail address, in line with your preference to receive policy documentation.

If you cancel your direct debit or finance agreement with Premium Credit Ltd this does not mean cancellation of your motor insurance policy, which is a separate contract. Please contact us to arrange an alternative payment method or cancellation of your policy.

Cancellation of the main motor insurance policy also cancels any additional optional insurances that you may have selected and as listed under Section 2 above. We make a full refund of premium for all additional insurances within the 'cooling-off' period. Thereafter, no refunds are due.

6. What happens at renewal?

We aim to find you the most competitive premium by searching our panel of insurers for any future renewal.

We will let you know via e-mail and/or letter that we intend to automatically renew your policy along with any optional extra insurances you hold. If you'd rather we didn't automatically renew your policies, you must let us know before the renewal date. If you pay by instalments, the direct debits will continue to be taken each month. If you originally paid in full, then payment will be from the debit/credit card last used to make payment. If no notification of our intention to take payment is shown on the renewal invitation, or if the requested payment isn't authorised, then your policy won't renew and you will need to contact us if you wish to maintain insurance cover.

There will be times when we are unable to renew your policy automatically and we will, of course, let you know.

7. Payment of premiums (including Direct Debits)

Unless otherwise agreed, payments must be made on their due date and your cover is only effective from the time we receive payment. We may cancel or lapse cover where payments are not received on time. If you choose to pay by direct debit, your personal information and the bank details you provide will be passed to Premium Credit Limited (PCL). To assess your application for credit, PCL will search public information that a credit reference agency holds about you. Details of their search and your application will appear on your record, whether or not your application proceeds. If you have any questions about your instalments, contact PCL at www.premium-credit.co.uk/contact.

At renewal of your insurance policy we will continue to pass your details to PCL unless you tell us otherwise.

Please refer to your policy documentation or PCL welcome pack for further details, including your right to cancel under the terms of the 'cooling-off' period.

PCL will tell us if you fail to make payment by direct debit under the terms of your credit agreement or if you end the agreement. This may result in your policy being cancelled and any money owed to PCL under your premium finance agreement will be deducted from any premium refund from the insurer.

If PCL have been paid in full any remaining refund will be used to offset Europa Group Limited's costs including fees & charges.

Europa Group Limited acts as agents of the insurer in collecting premiums and handling refunds due to clients, such monies are deemed to be held by the insurer with which your insurance is arranged. Any interest earned on these monies is retained by Europa Group Limited.

8. Collection of outstanding payments (and refunds)

You must continue to make payments in full and on time for your insurances, including after notification of a claim, or we will commence cancellation procedures. If, within 7 calendar days of our notice you fail to respond, we will try to collect any outstanding payments owed from the card details on file. If this fails, we may pass the debt to our Debt Collection Agency (for which an additional fee may be charged). Any costs that they incur in the recovery of the debt will be added to the amount outstanding. Any refund due to you will be returned on the debit or credit card we hold on file.

A Motor Legal Expenses policy meets the demands and needs of a driver who, if involved in a motor accident which is not their fault, will require:

- a loss recovery service (including legal assistance and representation if necessary to recover any uninsured losses arising from the accident)
- cover against the legal costs (including the costs of the loss recovery service) incurred in pursuing any claim for recovery of such losses (including any claim for death or personal injury) to the extent that these costs are not fully recovered from the other party or their insurers.

A Vehicle Hire policy meets the demands and needs of a customer who requires a replacement vehicle should their vehicle immobilised due to fire, an accident that leaves it a write-off, vandalism, or if it is stolen.

An Excess Protection policy meets the demands and needs of a policyholder seeking to protect the excess they are liable for following a successful claim under their main motor insurance policy.

A Key Protection policy meets the demands and needs of an individual wishing to protect themselves against the replacement costs following the loss or theft of their keys.

UK Breakdown cover meets the demands and needs of customers who wish to ensure that following a breakdown either at their home address, or elsewhere within the UK, assistance will be provided to attempt to repair the vehicle at the roadside or tow the vehicle to an onward destination for further repair.
